General Council Tackles Trafficking

By David White

General Overseer Lewis joins the General Council in a spontaneous prayer for victims of human trafficking

What simply began as Agenda Item No. 9 exploded into a million-dollar moment.

The International General Council unanimously passed an anti-trafficking statement

during Thursday's business session. Then, in a spontaneous move of God, Presiding Bishop Dr. Gary Lewis challenged the body of Ordained Bishops to raise \$1 million to resource

The General Assembly has had a renewed energy this year as more than 1,200 students returned to Teen Talent competition at an assembly for the first time since 2008. Teen Talent this week has seen representatives from all over the world, with 43 states/regions and seven countries represented.

For the students competing, being in Orlando has only heightened the excitement. They recognize the uniqueness of being part

of Teen Talent's return to the 2026 General Assembly stage.

For some, like Sara Luallen of Tennessee, the experience has come full circle.

"This is my first General Assembly Teen Talent that I've participated in," said Luallen. "Years ago, I came to support my sister as she competed, and now we're back here with our roles reversed. She's supporting me as

Assembly, Youth Emphasis Wrap Up GA26

By Cameron Fisher

On this final day of the 80th Church of God International General Assembly, the **General Council** will close out their sessions this morning, adjourning at 11:30 and sending their recommendations to the General Assembly, set to convene this afternoon at 1:00 in the Main Hall.

The **General Assembly** is the final session of business for GA26 and is open to any

registered delegate 16 years of age and above. Whereas the main floor has been occupied by Ordained Bishops the previous three days, this afternoon's session allows for anyone who wishes to speak to the items discussed. The body that makes up the General Assembly will also vote on individuals nominated for positions during the week, specifically the GA will vote on the nominations Director and Assistant Director of World Missions.

The General Assembly is set to adjourn at 4:00 p.m. in anticipation of the closing evening service which begins an hour earlier tonight at 6:00 p.m. Young people who choose to participate can join a **mass youth choir rehearsal**

that begins at 4:00 pm in the Chapin Theater and will minister during the service. Although the night's theme emphasizes youth, **Pastor Jentezen Franklin** will deliver an anointed message to all generations. Following the service everyone is invited to the **Teen Talent Awards Festival** where the hundreds of young people who have competed during the week will be recognized for their excellence. This will be the first awards festival held at the Assembly since 2008.

The **81st International General Assembly** is set once again for the Orange County Convention Center here in Orlando. Make plans to be back in two years, **July 24-28, 2028!** ♦

the fight against human trafficking – but they did not stop there.

Within the hour, more than \$1.5 million of gifts and pledges came in as thousands of attendees lifted their hand in prayer and commitment. Dr. Lewis then pledged to appoint a task force to lead what will become a global ministry to rescue sons and daughters from human trafficking in every form.

“I want what we do to be significant,” Dr. Lewis said. “It’s got to be more than words that go in a book. It’s got to be action by our church, where we drive a stake in the ground and say we are going to make a difference in the lives of children who have been exploited and abused.”

“We are going to do everything to stand in the gap and make a difference.” —Gary Lewis

This will not just make this an action item at the international level. He also asked every state and region to appoint a leader or director to head the anti-trafficking effort at the local level, and for every pastor and church to do the

same – creating a team at every level of ministry in the Church of God.

The agenda item itself affirmed that the Church of God “must actively oppose all forms of trafficking and exploitation through prayer, education, prevention and restoration.” Thanks to Thursday’s unannounced offering, those efforts will begin with a powerful head start on funding.

OTHER AGENDA ITEMS

The International General Council passed two additional agenda items.

The body voted to modify Exhorter License, renaming it “Licensed Minister.” Under this new title, this rank will be granted for a two-year period that requires the candidate to serve in a designated area of specialization.

The license can be maintained by renewal every two years, with qualifiers involving training in the minister’s area of specialization.

An agenda item was also passed to include the option of online monthly reporting for ministers, and spell out exemptions to monthly reporting.

The General Council headed into Friday’s final session continuing debate on Item No. 10 dealing with the Ethical Use of Artificial Intelligence. ♦

Hosting the event in Orlando has also been a major highlight. In addition to competing, students are experiencing powerful worship services, connecting with peers from across the world and enjoying some of Orlando's famous attractions during their free time.

"It's been such a fun week," said Alabama's Carter Jones. "Getting to compete at Teen Talent is a high honor. Beyond that, it has been amazing to be in the services and watch others compete. I even got to spend my birthday at Disney!"

Yet regardless of the location or the venue, one thing hasn't changed—the nerves.

"I was so nervous," said Arkansas' Mabrey Mitchell, who competed in Teen Talent for the first time. "I just kept reminding myself who I was dancing for and that I was dancing for an audience of one!"

Now the students will begin preparing for Teen Talent 2028! ♦

What I Love About General Assembly!

Compiled by McKayla Jacobs

Juan Encarnación, Aruba, Bonaire and Curacao, Panama:

"Reconnecting with fellow missionaries and ministers who are faithfully serving Christ around the world. Hearing firsthand how God is saving souls, opening new doors for the gospel, and transforming communities across the nations is incredibly encouraging. Those conversations remind me that while our fields may be different, we are united by one mission—to see every nation reached with the hope of Jesus Christ."

Michael & Marcia Stigile, Missouri Administrative Bishop:

"One of the greatest blessings is seeing the heartbeat of the Church in action—leaders prayerfully seeking God's direction, serving together with unity and purpose, and faithfully laboring side by side to advance the Kingdom and strengthen the work of the global Church."

Bill & Sandi Eubanks, Cleveland, TN:

"General Assembly is like a family reunion. It's a joy to catch up with friends we've served alongside through the years and celebrate all that God is doing across the Church."

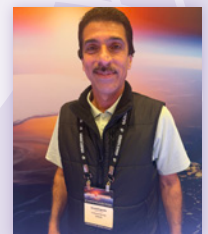

Pastor David Espada, Hispanic Ministries, Conway, SC:

"Experiencing the beauty of the global Church. Although we serve in different countries and speak different languages, we share one message and one mission. Hearing reports from around the world reminds me that God is moving powerfully across every continent."

Elizabeth Sumo, North Georgia:

"There's something so special about hugging friends you haven't seen in a while, making new ones, and spending the week worshipping, praying, and celebrating all that God is doing. It's a blessing, I look forward to every Assembly."

Church of God Celebrates 140 Years Next Month

By David G. Roebuck, Church of God Historian

On Wednesday, August 19, the Church of God will celebrate its 140th birthday. This day marks the anniversary of a small group of people responding to the call of a twenty-nine-year-old preacher by the name of R.G. Spurling. In a mill house along Barney Creek in Monroe County, Tennessee, they formed a congregation called "Christian Union," which we consider to be the birth of the Church of God.

Spurling's action arose from years of hindrance from local Baptist churches. In his experience, they had replaced the New Testament and the Great Commandment to love God and neighbor with creeds and traditions. Our earliest account reports that the meeting opened with singing and prayer, and then Spurling delivered "a strong discourse," "emphasizing the need for a reformation." We are told, "The arguments were full of force and proved effective, and were endorsed by the

On August 19, 2025, the Church of God dedicated a historic marker at the location of the Barney Creek Meeting House. Attending on the 139th anniversary last year was (l-r) Tony Stewart, David Roebuck, Tom Madden, Mark Williams, James Cossey and Gary Lewis.

hearers, so that when the time came for action there was free and earnest response."

Following his sermon, R.G. Spurling made a plea to take the New Testament as our only rule of faith and practice and to sit together as the Church of God. Eight responded to his appeal. Then with assistance from

his father, Elder Richard Spurling, who was an ordained minister, they set in order a congregation, which they called Christian Union.

Indebted to the vision of R.G. Spurling, we have expanded from the mountain congregations he planted to a global Christian Movement of almost 10 million members in 194 countries and territories of the world. We have embraced holiness and Pentecostal experience and theology, while still affirming the New Testament is our "only rule of faith and practice."

R.G. Spurling's son, G.P. Spurling, later remembered, "After the organization of the church in 1886, father furnished his own lumber and built a small church house. People would fill this church every meeting and pray. And how God would bless and save!"

One hundred and forty years later, we rejoice that God is still blessing and saving through the global ministries of the Church of God. ♦

Watkins, Morán Recognized with 'Special Orders of the Day'

By Cameron Fisher

Two members of the International Offices family were recognized this week during General Council sessions with presentations from the Executive Committee in the form of "Special Orders of the Day."

Dennis Watkins and Carlos M. Morán were presented certificates of appreciation and recognition for their leadership of ministries at International Offices. Both have announced their plans to retire after a combined 49 years of service.

As Legal Counsel for the Church of God, Watkins served during the terms of nine general overseers, beginning his tenure during the first term of Dr. Lamar Vest. Over 33 years of faithful service, the proclamation stated, "his (Watkins') valuable counsel and guidance have defended the ecclesiastical doctrine and structure of the Church of God. He has also provided untold hours of advice and counsel to state/regional administrative bishops and local church leadership."

In recent years, Watkins served as coordinator of the weekly Prayerborne ministry—a

gathering of dedicated men and women who pray and intercede for the needs of the church.

Morán has served for the past 16 years as Director of Hispanic Ministries for the Church of God. He was appointed in 2010 and has served under the leadership of four general overseers, including Raymond Culpepper, Mark Williams, Tim Hill, and Gary Lewis. The proclamation from the Executive Committee said of Morán, "His passion to effectively serve the Hispanic constituency of our denomination has been evident in both the written and verbal translation of countless books, articles, and videos. Morán advanced the Hispanic Ministries of the Church of God, with the addition of two Hispanic regions, serving as a consultant to the Church of God Ministry of Publications and as administrative bishop to the Northwest Hispanic Region."

The Church of God, deeply appreciates the unwavering commitment to God and sacrificial service to the Kingdom of both Dennis Watkins and Carlos Morán. ♦

Gran Fiesta Latinoamericana

Por Cesia Kerem Ramos

Los obispos administrativos de los Estados Unidos, junto con el Comité Ejecutivo Latinoamericano, rinden un reconocimiento al Dr. Carlos S. Pérsida Morán, por su fiel servicio y liderazgo al frente de Ministerios Hispanos.

La comunidad latinoamericana de la Iglesia de Dios se dio cita para celebrar su tradicional **Gran Fiesta Latinoamericana** en el Centro de Convenciones de Orange, en Orlando, Florida. El evento fue organizado por Ministerios Hispanos y su junta asesora, compuesta por los diez supervisores de las regiones hispanas de los Estados Unidos: los Drs. Otoniel y Xiomara Collins, de la Región Sureste; el Dr. Rigoberto y la Rvda. Sara Ramos, de la Región Este Central; el Dr. Jehú y la Rvda. Mónica Monroy, de la Región Noroeste; el Dr. Víctor M. y la Dra. Sandra K. Artreche, de la Región Norte Central; el Obispo Eliezer y la Rvda. Dorcas Bonilla, de la Región Golfo/Río Grande; el Dr. Víctor y la Rvda. Giovanna Cruz, de la Región Suroeste; el Dr. Raúl y la Rvda. Abigail Febus, de la Región Atlántico Medio; el Obispo Víctor y Rosie Nieves, de la Región Noreste; el Dr. Enrique y

la Rvda. Odaris De Jesús, de la Región Nueva Inglaterra; y el Dr. Luis y la Rvda. Marenley Rodríguez, de la Región Sur Central.

La Gran Fiesta Latinoamericana continúa siendo uno de los momentos más esperados de la Asamblea General Internacional que une a la familia hispana de la Iglesia de Dios. Este encuentro reúne a líderes, pastores y delegados de los Estados Unidos, el Caribe, Centroamérica y Sudamérica en un ambiente de fraternidad, gozo y gratitud.

Con un salón lleno de alegría, música y compañerismo, los asistentes disfrutaron de un tiempo especial para reencontrarse, compartir experiencias y celebrar el crecimiento de la obra hispana. Delegaciones de distintas regiones latinoamericanas y de los Estados Unidos participaron en esta significativa ocasión, reafirmando su compromiso con la misión de la Iglesia.

El programa inició con la bienvenida a cargo del Dr. Otoniel Collins, seguida de la oración de gratitud por la celebración y los alimentos. Posteriormente, la salmista invitada, la pastora Alma Escobar, ministró con una selección de cantos especiales que inspiraron a los presentes a adorar y celebrar lo que Dios ha hecho.

Uno de los momentos centrales de la actividad fue el reconocimiento de los oficiales y líderes presentes, dirigido por el Dr. Carlos S. Morán, director de Ministerios Hispanos, quien expresó su agradecimiento por el servicio y la dedicación a la obra hispana de la Iglesia de Dios.

A continuación, la Dra. Miriam Figueroa, directora del Centro para Estudios Latinos, ofreció un reconocimiento especial a líderes cuya labor ha contribuido significativamente al desarrollo del liderazgo, la educación ministerial y el fortalecimiento de la comunidad hispana. Seguidamente, el Dr. Ángel Marcial, en representación de Latinoamérica, presentó una serie de reconocimientos a destacados siervos de Dios por sus años de fiel servicio y por su valiosa contribución al crecimiento de la Iglesia.

La celebración estuvo marcada por expresiones de gratitud hacia quienes, con visión y compromiso, han servido a la Iglesia en diversas responsabilidades ministeriales. Cada reconocimiento recordó el impacto que el liderazgo fiel y el servicio desinteresado continúan teniendo en las congregaciones hispanas alrededor del mundo.

El evento concluyó con la oración de clausura, los saludos finales y la despedida dirigidos por el Dr. Carlos S. Morán, quien animó a los presentes a continuar trabajando unidos en el cumplimiento de la Gran Comisión y a seguir fortaleciendo la obra hispana con excelencia y pasión. ♦

Reconocimiento Especial al Dr. Carlos S. y Pérsida Morán

Por Ministerios Hispanos

Con profundo agradecimiento y admiración, rendimos un merecido reconocimiento al **Dr. Carlos S. Morán** por su distinguido servicio como director de Ministerios Hispanos de la Iglesia de Dios durante dieciséis años. Su liderazgo visionario, compromiso con la obra de Dios y dedicación al fortalecimiento de las iglesias hispanas han dejado una huella perdurable en generaciones de ministros y congregaciones.

El Dr. Morán nació en El Salvador. Junto con su esposa, **Pérsida**, originaria de Cuba, ha dedicado sus vidas al ministerio pastoral, a la educación cristiana y a la formación de líderes. La preparación académica del Dr. Morán, que incluye un doctorado en Educación, ha sido complementada por una amplia trayectoria de servicio como pastor, misionero, profesor universitario y administrador educativo.

Dr. Carlos M. Morán

Junto con su familia, sirvió en el campo misionero en México y Puerto Rico, y posteriormente desempeñó importantes responsabilidades en el Colegio Bíblico de la Costa Oeste y en la Universidad de Fresno. En 1994 aceptó el desafío de dirigir la recién establecida Región Noroeste Hispana, guiando su crecimiento de veinte iglesias a sesenta y ocho iglesias y cinco misiones en tan solo dieciséis años.

Desde su nombramiento en 2010 como director de la Oficina de Ministerios Hispanos, el Dr. Morán ha impulsado una visión clara: que esta oficina sea un centro de recursos, capacitación y apoyo para las iglesias de habla hispana en los Estados Unidos. Bajo su liderazgo, se ha fortalecido el desarrollo ministerial, la unidad de la obra hispana y el compromiso con la misión de alcanzar a más personas con el evangelio de Jesucristo.

Hoy expresamos nuestra más sincera gratitud al **Dr. Carlos S. y Pérsida Morán** por su legado de servicio, excelencia y fidelidad. Su ejemplo de integridad, humildad y pasión por el Reino de Dios continuará inspirando a las presentes y futuras generaciones de líderes hispanos. ¡Que el Señor continúe bendiciendo abundantemente su vida, su familia y el fruto de su ministerio! ♦

Remembering our Deceased Ministers

The biennial General Assembly tribute to deceased ministers of the Church of God recognizes those who passed away in the two-year period since the last Assembly. Ministers are honored with a video tribute, which took place during the Wednesday, July 29, 2026 service, a Wall of Remembrance in the exhibit hall, and in this publication.

The Church of God has a great heritage because of the work and efforts of those listed below. Although our hearts are heavy because of the loss of these heroes of the faith, we rejoice in the fact that they have made Heaven their eternal home. We look forward to joining them and seeing our Savior face-to-face.

For those who have experienced loss in this period, thank you for sharing your loved ones with us and with the Kingdom to reach the Harvest.
